LANDSLIDE SWEEPS OLD INDIANA

Democrats Stick to Party,
While Republicans Are
Split from Stem to Stern;
Solid Democratic Delegation
in House.

**TIMES BUREAU,
AT STATE CAPITAL.**
Indianapolis, Ind., Nov. 6.—No such
landslide ever before swept Indiana as
the one that struck it yesterday when
the democrats carried everything before
them at the election. The highest
plurality ever given before to a candidate
in Indiana was that of 1894,
when Roosevelt carried the state by

"Gracious! What a bump we got!"
about 54,000. But this time the democratic
plurality seems to be in the
neighborhood of 130,000 for president
and nearly as much for governor.

The Striking Feature.
The striking feature of the returns
is the fact that the democratic vote
is almost the same as it was four

CONGRESS WILL BE DEMOCRATIC TOO

THE NEW CONGRESS.

Demo-Repub-Other	Double-Conservative	Parties	Full
SENATE	48	40	8
'02s cong's	43	50	7
House	281	144	10
'02s cong's	228	161	1

Total senate membership, 96.
Total house membership, 435.
*Three vacancies. †Four vacancies.

The next United States congress
will be overwhelmingly democratic as
to the lower body and probably democratic
by a safe margin in the senate.
Judge E. D. Crumpacker, the lone
republican on the Indiana delegation,
seems to be beaten, and John B. Peterson
of Crown Point elected. Indiana
will have a solid democratic delegation.

Latest reports indicate that the
house will have a membership consisting
of 281 democrats, 144 republicans
and ten of other parties, perhaps
all progressives.
The illuminating features of the
congressional returns are the defeat
of Joseph G. Cannon, former speaker
of the house, in the eighteenth Illinois
district, and the retirement of Victor
L. Berger, the only socialist ever sent
to the national legislature, in the fifth
Wisconsin.

CREEK TOWNSHIPS STAND BY G. O. P.

(Special to THE TIMES.)
Lewistown, Ind., Nov. 5.—The townships
of West Creek, Cedar Creek and Erie
returned a small republican majority
of possibly 200. Four years
ago they went 200 majority.

THE END OF THE CAMPAIGN.

WILSON TO HAVE BIG PLURALITY

Wilson - Marshall Ticket
Sweep the County; Roosevelt
Second and Taft
Third; Winner Will Have
Over 300 Electoral Votes.

It was a landslide for Wilson and
Marshall.
Theodore Roosevelt and the Bull
Moose ticket ran second and President
William Howard Taft ran third in yesterday's
nation wide presidential election.
The returns at an early hour this
morning gave Wilson an apparently undisputed
title to 332 electoral votes out of the electoral
college of 531, only 266 being necessary to insure his election.

TIRED OF WORLD; TAKES LIFE

"I am tired of this world and better
would it be for me to be in my grave.
With these words which he had written
in German in a piece of paper and
which were handed to his relatives in
Germany, Otto Helm Schmidt, 191
Hoffman street, Hammond
committed suicide at 7 o'clock this
morning by shooting himself through
the right temple with a 32 calibre
revolver.

Death Instantaneous.
Evidently death was instantaneous
as when neighbors who had been aroused
by the shooting reached his side his
lifeless remains were found in his own
blood on the floor. Undertaker Nieldow

VOTE IN CENTER TOWNSHIP

(Special to THE TIMES.)
Crown Point, Ind., Nov. 6.—The following
vote was cast in the five precincts of
Lake county at yesterday's election between
the three parties, Republican, Democratic
and Bull Moose parties. The Bull Moose
failed to show their reputed strength and
coupled with the lack of interest by the
Republicans, small gain by the Democrats
and the split in the party the township will
be Republican by a very small majority.
It is estimated that the vote cast was
at least 200 shy of the strength of the
township ballot, following is the vote:
First precinct—

John H. Peterson (Dem.)	194
John O. Howers (Prog.)	24

REP. PLURALITY IN TWIN CITY 400

Third Party Supporters
Come to Bat With a
Big Vote.

The vote in East Chicago and
Indiana Harbor yesterday totaled ap-
proximately 2,600. The voters were
out in force, the small total being
due to the large number of unaffiliated
and otherwise invalidated ballots.
The Republican pluralities ranged
from 300 to 500. The returns as
nearly as can be estimated at the
present writing, on the national
ticket are as follows:
Democrat 572
Republican 987
Progressive 943
Socialist 269
Prohibitionist 1
The state ticket showed up ap-
proximately the same.
In the county, Patterson led with
1,100, Brennan being low man with
808 votes to his credit. Ed Simon
polled the biggest vote of the county
democratic candidates, polling up a
total of 726, and Young the smallest,
his total aggregating 502. Of the
Progressives, Howers polled the
heaviest vote, 740, while Holmes
had only 582, the smallest vote cast
for any of the Progressive candi-
dates.

Election day which started out so
promising in Indiana Harbor and East
Chicago, waned dark and moist with
the voters however out in strong force
most of the day. Climatic conditions
put something of a damper on the en-
thusiasm, but while it kept some few
at home, did not materially affect the
size of the vote.
There was little disturbance recorded
the election passing off as quietly and

crats Who Are Sure of

SWANSON AND WHITAKER LEAD

(BULLETIN.)
Crown Point, Ind., Nov. 6.—The full official returns for Lake county will
be given out tomorrow. From the best figures obtainable the democrats will
elect Carter, Simon and Dr. Young, but none others.

With the exception of Barney Carter, democratic
candidate for state representative, and the possible ex-
ception of Edward Simon, candidate for auditor, and Dr.
A. A. Young, candidate for coroner, the republicans of
Lake county have elected their county ticket, though
some of the majorities are going to be mighty small.

BRENNAN IS YET CONFIDENT OF VICTORY.

Brennan at Crown Point this morning said that he had a majority of
700 exclusive of Hammond, where Simon ran very strong and it may re-
quire the official vote to decide who will be Lake County's next auditor.
Cully Swanson republican treasurer will be the highest man on the
republican ticket. His unofficial vote for 93 out of 104 precincts gives him
a majority of 1492 votes. Two years ago his entire majority in Lake
County was 1,092 votes.

Whitaker By 1,000.

Martin Gill of Gary, democratic
candidate for county sheriff, is snowed
under by an estimated majority of 1,000.
Not a single bull moose candidate
was elected.

Carter made the best race on the
democratic ticket, owing to his popu-
larity in Hammond and his immen-
drawing power with the labor union
vote.

Dr. A. A. Young, democratic candidate
for coroner, made a very strong race,
and claims his election by a small
majority over Dr. Smith of Gary, the
present incumbent.

Hard To Get Results.
Never in the history of Lake county
politics has it been so difficult to get
a direct line on the situation. The vote

TWO REPUBLICANS CARRY HAMMOND

Carter, Whitaker and Simon
Lead Their Tickets in
the City.

From the meager returns that are at
hand it is apparent that at least two
republicans carried Hammond.
Carter carried Hammond by a majority of 472.
That in something of an idea of the
extent in which Hank is held in his
home town.

Edward Simon secured a majority of
321 votes in Hammond against Brennan
and has the largest majority as well
as the largest popular vote of any of
the candidates in Hammond.
John B. Patterson carried Hammond
by only 253 votes, which is remarkable
in view of the campaign he made
against Crumpacker and the fact that
Crumpacker did not speak in the city.
The popularity of Barney Carter in
Hammond is shown by the fine ma-
jority the city gave him. He got a
majority in Hammond of 795 votes,
which puts him up close to Simon.

Carter got the union labor vote, and
he also got the vote of the business
man and property owner who like
the kind of a union man Carter is. No
one fears what Carter would do as the
representative of this county in the
legislature.

Alva Young was given a fine compli-
mentary majority in Hammond. He
secured 697 votes more than his Gary
opponent. This will help him in the
rest of the county.

In the race against August Johnson
of East Chicago, Jacob Friedman beat
his opponent by 35 majority in all but
the one precinct that has not been
heard from. This indicates that Fried-
man did not stand so well with the
ticket splitter as the rest.

Richard Schaaf (Rep.) comes out
of Hammond with 41 majority over his
opponent, Edward Grady. In view of
the majorities the leading democrats
got in Hammond Schaaf has made an
excellent showing.

ROOSEVELT CARRIED THE CITY OF GARY

Roosevelt carries Gary.
Beveridge runs ahead of Roosevelt.
The congressional vote is almost
evenly divided.

Howers and Peterson tie for the Gary
vote.
Crumpacker comes within a few votes
of his two opponents.

John A. Brennan, candidate for audi-
tor carries Gary by 559 votes.
Gill received 1,548 votes, Maloy 1-
265 votes and Whitaker 1,062 votes.

No definite figures are available on
the state and national vote.
These figures are from twenty-five of
the twenty-six Gary precincts. The
only outstanding precinct is Clarke Sta-
tion, which has twenty-six bull moose
votes, 12 democrats and 6 republicans.

Democratic figures in Gary are as
follows:

Peterson	1,354
Sifton	1,352
Carter	1,374
Whitaker	1,210
Simon	1,144
Jones	1,119
